August 2008

Was that July? Did I miss it? We had a great holiday away, so much, so that we are away again! We shall be missing Sunday 24th August, as from talking to other folks, so will most of NWCF.

- We have had a truly blessed month; we have settled into The Frank Townend Centre and enjoying the large space of the main hall. Since the move we have had more visitors who had either seen the banner or read one of the leaflets, which Duncan & Barbara have sent out. We also have a visitor's book so we can see what they really thought.
- A great thanks to all who covered while we were away, and from the feedback it all went really well.
- The new trailer arrived from Northern Ireland, thanks to Wesley Kerr. It is better than I imagined, we can easily fit all the existing kit in it with space left over. We are considering how to advertise on it, so suggestions welcomed.
- We have the last draft constitution meeting planned for Thursday August 7th at 'church', we begin at 7.30pm. This is in preparation for my meeting with the solicitor, so we need to have everything finalised on that night.
- The Spring Waters churches are having a summer night out on Friday 01 August, by the time this reaches you; they will have all stuffed themselves silly! Great!
- We have secured a visit by John Glass Elim's General Superintendent John has a very busy schedule, I am sure when he knew it was us he dropped everything. John will be with us on Sunday 26 July 09, we will make it our Anniversary celebration weekend and enjoy the usual BBQ goodies. More details as we get them.
- We are ordering 5000 flyers for posting to our neighbours and Hotels etc. As the leaflets have shown advertising works
- We continue with our advert in the Gazette each week
- Whalley Abbey retreat is looming and we ask that outstanding payments be settled with Chris so we can close that account. We still have about 3 places left, so if you know anyone....
- We thank the Lord that our tithes & offerings for July were; £1068.33 with attendances of 90.
- We did have two large outlays to JW Signs and for the trailer, which together came to over £1700, plus other expenses we had a heavy month, but we are still making headway in recouping our outlay for our first move.
- We expect to be able to pay some into the deposit account through Elim HQ soon which will be a real move forwards.

I am truly excited about what God has for us all here in Cleveleys and the area, we have re-grouped and are ready to do His will. There is anticipation within the Fellowship, and a readiness that is required for the saving of lost souls. Friends be salt & light wherever you are, be it at home or on holiday. Pastor Alan

Whalley Abbey - Retreat Friday 26 Sept 9.00am-Saturday 27 Sept 4.00pm
