## February 2009

We let the New Year in well at 23 Ravenglass, a big thanks to all who helped on the night, especially Duncan giving us his 'Dad disco dance class!!'

We are well on our way with the application for charity status. This brings up the point of Gift Aid, once we obtain charitable status it means one of the benefits is being able to reclaim 25% in tax benefit from the government.

### The benefits of Gift Aid to the Individual

- **No extra cost** - Yet the giving increases significantly.
- **No minimum amount** - Tax is reclaimable on all Gift Aided donations, including regular and single gifts
- **No minimum period of commitment** - One declaration can last indefinitely, yet can be cancelled should circumstances change.
- **No need for separate forms** - One declaration enables us to reclaim the tax on any donation for a special appeal, as well as regular giving.
