July 2008

Well what a traumatic beginning to the month we had, the strange events surrounding our need to look for fresh premises caused great deal of prayer and forgiveness, but it also served to remind us that whatever man does to try to thwart God's plan he will never succeed – now we have a larger and better positioned premises!

- The meetings are going well and last Sunday we had two holidaymakers visit because they saw the banner outside.
- We now have a new 'A' board donated, which we are able to place on the forecourt of the blinds firm at the junction of Rossall Road and Beach Road at no cost, giving directions to where we are.
- We have brochures giving details of who we are placed in the Frank Townend Community Centre, also Barbara has contacted several Hotels & Guesthouses asking if we can send some there and is receiving good responses. We need some volunteers to place posters in shops and in the very near future hand out flyers advertising us. A weekly advert is in the Evening Gazette that is paid for by donation. The Direction magazine advert ends in August.
- We have begun the Direction magazine order again and we have 10 copies each month. The CDs are available again, and we need a volunteer to take one per month to the Blind Home Talking Book service.
- We have only had one person come forward, even that was reluctantly (no surprises really) offering to be signatory on the bank account.
- The web site continues to be added to, any suggestions as to improvements let me have them in writing please. We thank Ian at for all his hard work.
- We were blessed by the music ministry of Dave and Linda and their sensitivity to the move of the Holy Spirit added a gentle dimension to the prayer time. We thank them for their offer to visit again on July 13th.
- We had a special presentation for Peter Hutton as a small thank you for all the hard work and effort he has put into setting up and supporting the re-location
- The men enjoyed a great Fellowship breakfast at the 'Salt & Light' café on Saturday 21st. great idea Duncan – we expect more like this!!

As most will know, the 3Drakes Ministries is having a break during the first two weeks of July and the Fellowship is covering for us. We ask you support the meetings fully in every way.

Without exact figures, the approximate tithes and offerings for June were £1000, a great start to recouping our losses, and God's gains! We re still sorting out the pricing for the hall hire on Sundays & Thursdays, but it should come to just over £200 per month. The trailer should be with us end of July; Pastor Wesley is bringing it over from NI.

We have had a momentous year so far, and we are only half-way through. God has His hand on this fellowship, we have proved we ARE a RELATIONAL fellowship and will continue to grow and develop as such. Remember.. In the beginning God created.... you, me, the people next door, our enemies, our friends, the ones we have not yet come across, this fellowship. All by His Almighty hand.

God bless you all
Pastor Alan
