June 2009

June is upon us and we are now accelerating towards the summer, some predictions are that we are in for a heat wave, while others say it will be unsettled and changeable. Do you ever feel like that? Someone comes along and gives you a forecast for your life and then when the nominated time comes along, it is completely different than predicted? Well, there is one constant and that is the love of God for us all. We have seen and heard how our parliamentary representatives have been behaving with their financial claims and the people's response. Their call to high office has been corrupted by either greed or lack of integrity. There is One who holds the highest position, King over all the world, our Father in heaven. His Kingship and majesty, power and authority are incorruptible, a Sovereign Lord who always loves us and calls us His children. If those MPs and their civil servants would look to God for advice and guidance what a different place this country would be.

Some of the events planned have needed to be altered and new dates made, please see the 'News' items below.

The Trustees met and discussed the finances and progress with the Charity status. Financially we are in a strong position and have nearly £10k in the deposit account, and almost £2k in the current account. The auditor is preparing the 'books' for the AGM when a full report will be given by the Treasurer. The Charity Commission is still looking at our application and to date no decision has been made.
